

金兰地产、贷款 实实在在的买房、卖房人

亲爱的房主,如果你想卖掉你的房子,那就卖掉它。

人生苦短,不用为孩子的学校、孩子的朋友、孩子的这等操心太多,导致你付出高昂的房价、高昂的房产税、高昂的HOA费用。

因为付出高昂的代价让孩子们开心,他们可能永远不会帮你洗衣服。

让您的孩子有机会学习战斗并在不太完美的学校或社区中成长。

如果孩子永远不必面对和解决问题。他们会给你带来麻烦,你必须把他们抚养到99岁。

问问自己,为什么你可以在没有父母计划的情况下如此独立或担心学校而你变得更加独立,成为那个从你3岁开始自己安排一切的人。

孩子们小时候需要艰苦的环境和接触生活,然后将学习如何解决问题,思考和思考并找到成为他们自己的方法。让他们工作,并不总是有趣和有趣,你支付资金和资金。

你最好不要告诉你的孩子你的房子将是他们的房子。因为他们必须向你购买。金钱是相互联系的。

如果他们永远不必去使用他们的才能或利用他们的时间去寻找工作或创建企业,因为你给了他们太多的钱。

Dear homeowner, if you want to sell your house just sell it. Life is too short to worry about too much for children's

schools, children's friends, children's this and so on and you cause you to pay a high price for a house, high property taxes, high HOA fee, and pay high price to make kids happy. They may never help you wash your clothes.

Let your children have a chance to learn

to fight and to grow up in a little less perfect school or community. If the children never have to face and solve problems. They will give you trouble and you will have to raise them to 99 years old.

Ask yourself why you can be so

independent without your parents' plan or worry about the schools and you come out more independent, become that person to arrange everything on your own since you were 3 years old.

Children need tough environments and touch life when they are a child then they will learn how to solve problems and think and think and find a way to be who they are. Make them work, not always fun and fun and you pay the fund and fund.

You better not tell your children your house will be their house. They must buy from you. Because money bound each other. If they never have to use their talent or use their time to go find a job or create a business because you give them too much money.
