5月7号，周日，今天美国大华府地区大专院校校友联合会一年一度的烧烤聚会。

连续几天的阴雨天气让今天的气温显得更加宜人，天空偶尔露出蓝天白云。黑山公园非常热闹。一座座亭子下坐满了人，有须发皆白的老人，也有呀呀学语的幼儿，以及很多久未见面的朋友校友，到处都是热情的问候，亲切的交谈，欢声笑语回响在一座座亭子中。这里最引人注目的，是那些身穿白色T恤，青春洋溢的华府青年。他们活跃在各个亭子里，帮助挂好横幅，搬运食物，烤肉烤鸡，忙进忙出的。中午吃完香喷喷的食物，大家都来到主会场。送别了老一届的华府青年的哥

姐姐们，也欢迎了新的主席和小领导。随后，大家观看了精彩的演出。有表演腰鼓、唱歌、快板等。

最后，是大家都期待的拔河比赛。在宽敞的草地上，躺着粗粗的绳子，周围挤满了热心的观众。每个队15人。有细心人发现草地不平，有不同的坡度，站在下坡的人占有优势。于是为了公平，参与比赛的队长选择硬币的两面，裁判将硬币抛向天空，落到草地上，选择面朝上的那方，就可以去首先选择比赛场地。这种严肃认真的劲，有点令人好笑。比赛非常激烈。啦啦队员们跟比赛的队员一样紧张，就差没有冲上去一起拔河。

最后根据友谊第一比赛第二的精神，华府青年与另外两队并列第一。为一年一度大专联合会聚会画上了完美的句号。

美国大华府地区大专院校校友联合会已至今已成立30周年，每年的在黑山公园的烧烤活动已经成为一项传统。黑山公园的烧烤给予了大家一个团聚、交流、了解新事物的场所。来自不同地区的人们聚集在这里分享家乡的美食，传播中国文化。

黑山公园这样的活动离不开组织者的努力，各个校友会组织的精心策划，才换来了本次活动的圆满成功。各个校友会都对本次黑山聚会给予了高度的评价。中国农业大学的会长说到：“我感谢每次校友们有机会聚集在一块，很高兴看到更多的校友加入这个群体，活动促进校友之间的交流，感觉这是一个很大的家庭”。湖南大学会长表示：“通过大专联活动各位会员们之间已经建立了充分的信任，他们一起担起了湖南大学校友会的责任，都在用自己的方式去为校友会做出一份贡献”。浙江大学校友会会长认为在校友会里人心很齐，他希望能把这个团体发挥得更有凝聚力，让组织发挥更多的作用。

武汉大学、南京大学、西安交通大学、广西校友会等多所校友会会长们表示华府大专联校友会的这种活动能把很多的学校的组织聚集在一起，大家有更多的交流是非常有意义的。所有的会长都对他们的校友会充满了热爱和期待，希望未来能发展得越来越好。

当然，华府大专联30年来一直在追求创新和发展。除了大专连各个高校的校友会，今年还成立了新的青年部。青年部部长说到：“想把各个大学的青年聚集在一起，给他们一些指导，分享一些信息，包括就学和就业。帮助青年，希望他们的生活更好”。青年部的成立是对需要帮助的青年一个很好的社交平台，在这里他们可以接触到新的事物。青年部的成立是非常具有意义的，青年部副部长认为这对刚来美国的青年会有非常大的帮助，解答他们的难

题，让他们能更快地融入新的社会。在各个校友会和青年部之外还有着我们的义工组织CYOC。CYOC能为许多小朋友提供义工的机会，服务华人社区。在CYOC里面每次都可以学到新的知识，了解新的文化，去为我们的社会做出贡献。CYOC网站编辑部今年也正式成立运营，各位小记者和小编辑们的加入将更好的推动中国文化的交流传播。

最后，再次感谢大家的参与及为此次活动做出的贡献，希望未来华府大专联校友会发展得越来越好。

The School Council Association of Chinese Community Colleges of the Greater Washington area of the United States has had its 30th year anniversary since establishment. During this time, the barbecue every year at Black Hill Regional Park has since become a tradition. The barbecue has given everyone an opportunity to reunite, converse, and communicate, as well as a place to learn and find out about new things. People from all different places can gather together here, and share their unique foods and culture from their hometown or home city.

This Activity at Black Hill Regional Park is not possible without the effort and sacrifices from our organizers. The meticulous and careful planning from every alumni association is what gives us our event's astounding success. Every alumni association believes that this event gathering was a huge success. The president of the China Agricultural University's alumni association says, "I am grateful for every time [our] alumni have an opportunity to gather together. [I am] very glad to see more and more of

our alumni joining our [alumni association]. [This] event has encouraged [our] alumni to socialize. [It] feels like a big family [here]." The president of the Hunan University Alumni Association states, "As a result of the event [organized by] CCAGW, [our members] have now established a substantial [amount of] trust among [themselves]. They have already taken collective responsibility for the Hunan University Alumni Association together. [They] all are using their own ways to contribute to the Alumni Association." The president of the Alumni Association of Zhejiang University believes that the people of Alumni associations are very united. He hopes to help this organization bring out more cohesiveness, and to exhibit more impact. The Presidents of the Alumni Associations of Wuhan University, Nanjing University, Xi'an Transportation University, Guangxi University etc. state that University Associations of CCAGW's activities can provide many school associations with the opportunity to assemble together. It is very important

for everyone to have more opportunities to interact with each other. Every alumni association president feels full of adoration to their members, as well as being full of anticipation and hope for the growth and development that will come in the future.

Certainly, CCAGW's 30 years of operation has pushed for innovation, development, and growth. Besides its alumni association, They have started a new youth department this year. The head of the youth department shares, "[We] would like to gather youth from lots of colleges and universities, give them some guidance, [and] share some information with them, including [information about] schooling and employment. [We would like to] help [our] youth, [and] hope [we can] improve and better their lives." The establishment of the youth department is to help give youth an excellent social platform. In this way, they can access new things. The establishment of the youth department is extremely meaningful. The assistant head of the youth department believes that this is

exceptionally helpful to youth that have newly arrived in the United States. It can answer their questions, solve their problems, which will help them integrate into society faster, easier, and more effectively. At every alumni association and youth department, there also is our volunteer organization, CYOC. CYOC can provide many youth with opportunities to volunteer, to serve our Chinese American community. Every opportunity, being inside CYOC can help us learn new things and understand new cultures, while also allowing us to contribute to our society. The web development department this year has also been formed and operating, with youth journalists and web developers joining the department, helping us increase the understanding, awareness, and publicity of Chinese Culture.

Lastly, let's once again express gratitude for everyone's participation and contribution to this event. Let's hope that CCAGW's alumni associations improve and develop great lengths in the future.
